Diane Pope

I have been involved in artistic endeavors my entire life in one form or another; from drawing to beading to needlework, but never really felt that I had satisfied my creative desire until I began to concentrate on painting nine years ago. Finding watercolors beautiful and challenging, I focused on this medium and began to explore painting in vivid tones concentrating on wildlife, flowers and landscapes, and occasionally adding a touch of whimsy.

I am excited to be showing my work and participating in a growing number of events and shows each year. I was fortunate to have been chosen to design two Napa Wine & Crafts Faire posters and have participated in the Napa Valley Open Studios Tour. I exhibit and sell my work throughout the year at the Napa Valley Art Association's "Artists of the Valley Gallery" located on First Street in downtown Napa and of course here at the Blue Goose Gallery.

I owe a great deal of my success to the guidance and support of numerous other local artists, both in Napa and Chester, and the wealth of resources available to artists within both areas.

In addition to prints and cards I transfer my artwork to tiles, one of-a-kind boxes and many other specialty gift items. You can view all of my paintings and see a sample of my art gifts on my website at www.dianepope.com or feel free to email me at spinpoppe@sbcglobal.net
